Dear Pastor Ward,

On behalf of the Board of Directors, it is my pleasure to again welcome you into membership in ECFA (Evangelical Council for Financial Accountability). We are delighted that your organization has joined with over 2,000 evangelical organizations demonstrating compliance with the ECFA Standards of Responsible Stewardship. Your membership speaks of your organization's integrity and accountability; this is a trust that needs to be carefully guarded.

We are pleased to welcome in our membership an established international ministry committed to encouraging students from around the globe to study the Bible and live according to its teachings.

Included with this letter is a press release which will be posted on our website and is available to you for your own purposes. We encourage your staff as well as the members of your board to participate in continuing education that ECFA provides on integrity, governance and financial accountability. Our recently revised website is also a great place to stay current on many issues and we provide literally hundreds of articles that they would find helpful.

May the Lord bless all of your staff in the very important work to which He has called you!

Sincerely,

*Kenneth A. Behr*
